# "All About me" Bags

Make copies of the bag labels on the following page.

Attach 1 label to each brown or white paper bag.

Send the bags home with the children on the first day of school.

As the bags come in, we place them in a basket and have students share their bags whenever we have a few minutes here and there throughout the day.

(Sometimes we finish an activity with just a few minutes to spare before we head out the door to our specials classes or lunch...This is a perfect time to sneak in an "All About Me" bag!)
