

Brownies Computer Badge

You must complete both the Safety and Uses parts plus the first section of Skills. Ask a parent to sign by Safety and Skills once you've completely it.

Safety

Understand and discuss with your parents the importance of staying safe on the Internet and how you would do so. What information should you not give out?

Skills

Show how to do all of the following.

- Turn on the computer.
- Start a program and create a document of your choice.
- Save your work.
- Print your work.
- Log off securely and shut down the computer.

From the Easter Activity Pack do at least 3 of the following:

- Activity 1 - print and decorate (clip art or draw) Green Cross Code, Countryside Code and Water Safety Code.
- Activity 20 - you could print the map and even draw your route on it before printing.
- Activity 9 - can all be done online print you information from the pages you find it on!
- Activity 6 - count how many of each item you clear up and turn your results into a graph - remember to name each item so we can tell what you found!
- For at least 2 activities take photos and type a comment about what your doing in them
- For the above point you can then email it to us - ask your parents to use their email!

Uses

List things that you use every day that use computers.
